## Manoa Elementary Cow Plop Bingo

Sunday, October 16th 2-5pm rain date October 23rd

How the game works: The field at Manoa will be made into a grid. Each person has an opportunity to buy multiple squares of the grid. The square in which the cow plops, wins! Winners need not be present to win cash prize. The "plop" pot starts @ \$500.00

Cow Plop Bingo is a fun and interesting way to raise money for our school.

Each square is \$10, or 3 for \$25. Squares can also be bought in honor of your favorite teacher!

The Manoa student and the class that sells the most squares will win a special reward!
