feed the fire

'Feed the Fire' was started by close friends who lost their son in 2014. This sweet child dreamed of being a fire fighter when he grew up, and during his extensive time at the Children's Hospital of Philadelphia, the community of fire fighters fulfilled 7 year old Weston's dream by making him an honorary fire fighter. These guys put their lives on the line for us daily, and take the time to make wishes come true. They deserve a HUGE thanks! This is the third year that 'Feed the Fire' will be taking place, and it has spread to over 100 fire departments across the country. Let's help it grow even bigger! On March 23rd, Jen Terruso will be dropping food, snacks, drinks, and any other donations off at Manoa Fire Co. Click on the link below to sign up! Donations can be dropped off to Manoa Fire Co (or your local fire dept!). She will post the hours of drop off at Manoa Fire Co., shortly. Thanks everyone for your support!
