  - \* Bi-Laws were looked at in October by Sarah Maxwell.
  - \*Looking to update areas such as Social Media , Fundraising and Roles of the Board as well as continuity, grammatical errors as well as incongruity need to be addressed
  - \*Housekeeping is there anything missing, would like to take the next few months to review and bring together. Want to avoid any potential for voids on the board, further clarity may be needed as far as the current ByLaws stand. The floor was open to questions and comments and or suggested changes.

# Comments/Questions addressed by the members present:

### For Clarification, the below is copied from the April 2018 Minutes:

- "Amendment VOTE "In the event an elected officer has served two consecutive years and there are zero nominations, the exiting officer may be invited by the remaining Executive Board members to stay in the same position until such time as someone else is voted into the position." PASSED 15 to 5"
- \*Angela Urso questioned Article 9 Committee Chairs selected by the President, not a clear definition regarding time frame. Those who have held the position in the past, should they like to continue or pass being Chair for the following year. There is not clear definition in the bylaws currently to address this.
- \*Allyson Rosseel noted Article IX Executive Board Committee Do we have all of these committees?

\*This brought on a continued discussion leading to having a ByLaw Committee the following people are interested in being on the committee: Tobie Stallings, Helene Smith, Alyson Rosseel, Jaclyn Reinersten, Michelle Scullin, Amy Krazia and Iain McClements.

\*Discussions on the best way to review proposed amendments, this is a process that can take many months. Does a non-profit attorney need to review, mixed responses were given.

\*There was an open discussion on regarding the one-year term of board members, do nominations need to be held each year, do the volunteers stay in they like for the second term without another vote. Should position start in January.

\* Vaishali Vora proposed membership take a vote to be held to stop all of the changes

#### Nominations:

- \*Michelle Baldino Requested an update on the the status of Nominations, what is the timeline, what positions are open and who is the committee.
- \*Amy McClements after discussion stated she was no longer on the Committee, Kate Hertzog is the chair and there are 2 positions open. Amy is willing to assist Kate with the transition, Kate should reach out to Amy with any questions.
- \*Nominations are due by April 10.
- \*Open positions established were: President, Vice President and Corresponding Secretary

  More information on the positions will be made available prior to nominations, should changes to
  the bylaws be needed for these open positions there will need to be a vote.

**Communication:** Jane Boyle spoke regarding communication for the volunteers. Everyone wants a fair shot to be on committees. Too many good volunteers are being lost. Time to make a change, it doesn't have to be this difficult. We need to address why volunteers are not wanting to Volunteer.

Meeting adjourned 8:25 PM
